Draft Amendments.

(1)

For the second paragraph under rule IX (a) read—

(i) In addition with share and limited liability, not less than one-quarter of the net profits shall be credited to the reserve fund, after which dividends may be declared up to a maximum of 5 per cent per annum on the paid-up value of each share and $7\frac{1}{2}$ per cent of the net profits may be set apart for a common good fund.

(ii) The balance, if any, of net profits, after carrying forward a sum not exceeding three months' working expenses based on the average of the previous year, shall be credited to the reserve until the reserve is equal to at least 12½ per cent of the total liabilities of the society at the close of the year.

Provided however that central banks may before disposing of the balance of the net profits in shares, make contributions to a dividend equalisation fund, the percentage of such contributions and the conditions under which the fund may be drawn upon being provided for in their by-laws.

Provided also that, when the reserve amounts to 5 per cent of the total outstanding loans advanced by any limited liability society, before such balance is placed to the reserve, an allocation to a building fund of such amount as may be determined by the general body of the society may be made by such society.

(2)

Insert the following as rule XI, the existing rules XI, XII and XIII being renumbered as XII, XIII and XIV respectively:—

XI. (1) The reserve fund shall belong to the society as a whole and is intended to meet unforeseen losses. No member can claim a share in it. It shall not be drawn upon except with the sanction of the Registrar.

(2) On the dissolution of a society, the reserve fund, the building fund, the dividend equalisation fund and other funds belonging to a society shall be applied:

(i) to discharging such liabilities of the society as may remain unchanged after the termination in full of the liability of the individual members of the society;

(ii) to the repayment of the share capital paid up; and

(iii) to the payment of dividend upon such share capital at a rate not exceeding 5 per cent per annum for any period or periods for which no dividend has been paid.

Whereas the rule as to the dividend upon the fund is exempted, this rule does not apply to the fund so far as by the Indian Council Urban Bank and the Hyderabad District Bank prior to 1st July 1914 which will be kept separate and shall not be subjected to the conditions under which it was built up.

(3) Each portion of these funds as shall remain when the payments mentioned in sub-section (2) shall be applied to such local object of public utility as may be selected by the general body and approved of by the Registrar. If within three months of the fund coming up of the society the general body fails to make any selection that is approved of by the Registrar, the latter may use the above-mentioned portion of the funds in supporting other co-operative societies in the neighbourhood or shall place the same on interest or otherwise with some co-operative bank until a new co-operative society with a similar area of operations is registered, in which event the funds shall be credited to the reserve fund of such society.

DRAFT RULES FOR DECLARING VACCINATION COMPULSORY AND FOR ENFORCING THE SAME.

GENERAL.

1. In these rules

(i) *Parent* means the father or mother of a legitimate child and the mother of an illegitimate child.

(5) *Guardian* means any person to whom the care, custody or custody of any child falls by law or by natural right or testamentary gift or who has accepted or assumed the care, custody or custody of any child or to whom the care or custody of any child has been entrusted by any authority lawfully empowered in that behalf.

(6) *Facilitator* means any medical practitioner registered under the Medical Medical Registration Act or any practitioner appointed by the council or any person who holds the written permission of the Chairman to vaccinate within the municipality.

(7) *Childhood* means a boy under twelve years of age or a girl under ten years of age.

(8) *Vaccinated* shall mean a child who has not been protected from smallpox by having had that disease either naturally or by inoculation or by having been successfully vaccinated, and who has not been certified in the manner hereinafter provided to be exemptable of vaccination.

(9) *Facilities* shall mean a place or building where by direction of the council, public protective vaccination is performed.

RULES UNDER SECTION 360 (7).

1. (1) The parent or guardian of any unprotected child who is more than six months old and who has resided within the limits of a municipality for one month shall take or cause the child to be taken to a vaccinee depot for vaccination or shall procure for vaccination by a vaccinator.

(2) The Chairman or any person duly authorized by him, may direct the vaccination of any child under six months of age when it is exposed to infection in consequence of residence in a house infected by smallpox.

RULES UNDER SECTION 360 (2).

2. The parent or guardian of an unprotected child, whose residence is changed from a municipality to a place either within or without that municipality or from any place outside the municipal limits to a place within that municipality shall within three days of such change, notify the change to the Chairman or any other officer authorized by him in that behalf, furnishing full particulars as to the address of the child at the new residence.

3. (1) A vaccinator to whom a child is taken for vaccination shall, if he finds that such child is not in a state to be vaccinated, deliver to the child's parent or guardian a certificate to the effect that the child is then in a state unfit for vaccination. The said certificate shall remain in force for the time specified therein not exceeding three months and may be renewed if necessary. The areas of infection shall be distinctly specified on the certificate.

(2) If the vaccinator is of opinion that the child is in a state fit for vaccination, he shall forthwith vaccinate the child and deliver to his parent or guardian a memorandum stating the date on which the vaccination was performed and that on which the child is to be inspected in order to ascertain the result of the operation.

4. (1) On the date of inspection given in the memorandum and at the time appointed by the Chairman the parent or guardian of every child who has been vaccinated under the last preceding rule shall take him or cause him to be taken to a vaccinator for inspection.

(2) If the vaccinator finds on inspection that the vaccination has been successful he shall give to the parent or guardian a certificate to that effect.

(3) In the event of the vaccination being unsuccessful such parent or guardian shall, if the vaccinator so directs, cause the child to be forthwith vaccinated and subsequently inspected as in the previous sections.

5. If the vaccinator is of opinion that a child who has been three times successfully vaccinated is susceptible of vaccination, he shall deliver to the parent or guardian of such child a certificate to that effect.

7. Any parent or guardian who procures the vaccination of an unprotected child by a vaccinator not employed by the council shall forward a certificate of successful vaccination to the Chairman or any person authorized by the Chairman within fifteen days from the date of vaccination.

8. The Chairman may cause any certificate given under these rules, if it be proved to his satisfaction that such certificate has been improperly given or obtained on behalf of any unprotected child, and thereupon such certificate shall no longer be valid and notice of such cancellation shall forthwith be given to the party concerned.

9. No fee or remuneration shall be accepted by a municipal vaccinator for any vaccination performed or certificate given under these rules. Where, however, a parent or guardian desires to have his child vaccinated at his own residence, the Chairman or any person duly authorized by him may upon application by such parent and upon payment of such fee as the municipal council may have prescribed in that behalf direct a vaccinator to perform the vaccination as herein before provided at the residence of such person.

10. If the Chairman, or any person authorized by the Chairman in that behalf, has reason to believe that there is an unprotected child in any house, he may call upon the parent or guardian of any child in the house or other person having custody of the child there to produce for inspection a certificate signed and sworn to by all the children in the house or under his care, and to state the names, parishes and places of birth and the duration of their residence in the municipality; and he shall, if on such requisition the parent or guardian or other person having custody of the child refuses to produce such children for inspection, or if, after inspection, the fact is proved to his satisfaction that any child is unprotected and fit for vaccination, deliver to such parent or guardian or cause to be delivered to, by him, a notice requiring that the child be vaccinated within 15 days as a time and place to be appointed in the said notice. The person to whom the notice above referred to is given shall be bound to comply with it, unless he can produce a certificate stating that the child has already been successfully vaccinated or is exemptable and fit for, or exemptable of, vaccination.

11. (1) Any person who, in contravention of the provisions of these rules
